EVERYDAY HEROS!

2005 Jaycee Year

From the President

This time of year is always busy for people, but especially for the Jaycees. On November 20th we delivered our Thanksgiving food baskets to 10 needy families in the area. The names of the families were given to us by the Central Community House. All of the families were so thankful to be thought of during the holiday season. I was especially thankful to everyone who showed up to help with the shopping, so that I could be out of town with family that day. The deliveries went off without a hitch and we had a wonderful meal hosted by Kelly Kassor following the deliveries.

The cookies were prepared and baked by Sharon and Kelly for the Christmas parties and cookies for rookies on November 19th. We met at the Jaycee Village on **Monday, November 19**, to deliver cookies to the fire stations that serve the residents at the Jaycee Village and Jaycee Arms.

The Christmas parties went great! We tried something new this year-all of the residents were served their meals. It made things so much easier, especially at the Jaycee Arms. Many residents said that it was the nicest party they had been to.

Currently, I am in the planning stages for the yearend banquet. It is scheduled for Saturday, January 28th. It will be held at Schmidt's in German Village. Please r.s.v.p. to me before January 5th.

Thank you to all of you who have made our community a better place by being a Jaycee. You are Everyday Hero's!

Sincerely,

Amy M. Harcar
