EVERYDAY HEROS!

2005 Jaycee Year

From the President

Thanks to everyone's hard work June was a huge success. First, Sharon (despite her own difficulties) and Connie did a great job organizing the Sock Hop fundraiser to benefit Chuck Humphrey. Everyone really enjoyed themselves and the money could not have gone to better use. Thanks to everyone who donated products for the auction, shopped, donated time and money, and helped to set up and run the event. Continue to keep Chuck and his family in your thoughts and prayers as he recovers.

Second, the M-Night on June 21st. This was an event that had been discussed for a long time. It was great to see it come together. We had nearly ten perspective members present. And while they have not all joined yet, I believe we will be adding some new faces to our chapter. If anyone has ideas for upcoming M-Night's please let us know. One of the perspective members will be chairing a poker night social soon. We will get the details to you as they unfold.

In addition we had Ohio Jaycee President Kristi Chilcote and her assistant, Joe Callison, at our chapter meeting. Joe presented several awards including one for Paula Weston. Ms. Weston was awarded Jaycee of the 1st Quarter for Region D! Congratulations Paula. Tae Kwon Do classes will be starting back soon. Please contact me if you are interested in joining us or coming out to watch.

I want to ask a favor of all of the board and chapter members. Jeff Taniguchi is new to our chapter and has been responsible for producing this year's newsletter. I don't remember ever seeing the publication look as good as it has recently. The favor I ask is that we all (including myself) get are articles in consistently and on time. I know it would make things much easier on him and I would greatly appreciate it. Any member past or present member may submit articles. Jeff, **Thank You** for working so hard on this. Send articles to:

Internal Vice President Report

Oh what an M-Night. On June 21st we had an M-Night at Mr. Bills Bowling on Cleveland Ave. I really appreciate the support of our past and present members at the M-Night. We had quite a few perspective members there. One perspective is already planning our next M-night, details TBA. Everyone had a great time, despite their bowling averages. Steve Kowalsky did a great job of getting this set up and showing off his bowling average (which was only 2-3 times what mine was). I also appreciate the help Mr. Bills provided with discounted food, drinks, shoes etc... Make sure to support those that help to support us!

We need more ideas for M-Nights. Even though the year is 1/2 through we would still like to get in at least 2-3 more M-Nights and socials. Please contact me if you have any suggestions.

Thanks,

Joel Harcar

Flags on High:

I just wanted to thank Connie and John Skaggs, Clara Hernandez, and Sharon Arnold for the Great job they did in helping get the flags up on High Street, without them there would be no Flags on High. We got a bit of a late start, and were not able to find a truck so had to do it from the road, but it was a great time. Once we got past the Park of Roses it started to pour down in what turned out to be a very heavy lightning and thunderstorm but we managed to get a good portion of the flags up long with the Jaycee flag and the different military branches. I can remember back when I was a growing up going out with my parents and numerous other Jaycees and hanging the flags, sadly the numbers have dwindled in he past few years, but I know the community of Clintonville appreciates what we are doing. One lady commented as she jogged past "I feel like I am seeing Santa clause, I always see the flags but never see anyone put them up." We are working to get a set schedule on when we will be putting up and taking down flags and once we get that together we will publish it here in the newsletter. We would like to put them up and take them down numerous times a year for most major holidays, but are lacking the volunteers to do so. If you would like to make yourself available for this please send an email to WhiteRabbitsDen@gmail.com. Your help or feedback is appreciated.

Pig Roast:

The Pig Roast will be held on August 20th at the Jaycee Arms this Year. Currently we are still in the planning stages, but things are moving along nicely. We already have Entertainment and all the Tables, chairs, etc lined up and are currently just waiting on a few more things to fall into place. This is my first year chairing the project, but I have been to more Jaycee Pig Roast than I care to admit to. We will be cooking the pig and beef on Friday night, August 29th out back of the Jaycee arms downtown. You are invited to join us both on the night of the 19th and on the 20th. On the night of the 19th we will have Food, pop, Beer, and good times all night so please feel free to stop by or come and stay all night. On the 20th we will need as many people to show up as possible to help with the setup and serving, but most importantly to help with the cleanup. I know cleanup isn't the best job in the world, but lets please not let it fall on the people that stayed up the night before to cook and set everything up. No mater what we are going to have a good time. This is something the residents look forward to and talk about all year, so let's do our best to make sure its all good memories. Thank you in advance to those that are planning on making it, and my personal gratitude. If you have any questions or advice please call me at (614) 206-1394.

Secretaries Report

I am gathering all the Chairman Planning Guides and storing in the office for future reference. If you have one that you would like to add to the archives please let me know and I make sure it gets there. All minutes have been prepared and will be maintained in the chapter office for review. Some historical minutes have also been filed in the office in a notebook behind the desk should anyone have interest in those. Thanks!

There has been a lot of activity going on with North Columbus Jaycees. We want to remember Andy Ormistan and his family in our thoughts and prayers as he begins working from Cincinnati for Northwest Airlines.

Our best get well wishes go to Sharon Arnold on her recovery from major surgery. She is on the mend but it will be awhile until she is fully recuperated.

We are please to report on the progress that Chuck Humphrey is making on his recovery. Your thoughts and prayers have been greatly appreciated by the family.

The honors go to our President Amy Harcar on receiving a District D presidential award. Congratulations to Amy!

Congratulations to Amy Brown on her 40th birthday. She had a really nice party and the food was fantastic. We loved the party poppers Amy! Enjoy your year....

Sock Hop Mania:

I would like to thank everyone for all there help in the fund raiser for Chuck. I'm sorry I could not be there but I heard it went very well. I hear we had some people cutting up the rug. It sounded like everyone had a good time. I will have more later next month; we are still getting money coming in. Again I would like to thank everyone.

Flags on High:

Big thanks go out to John, Connie, Clara, and Greg for helping put flags up on High Street. The flags went up on Thursday, June the 30th. We got started at 9:00pm and things were going ever well and then all at once it started lighting and then came the rain. John and Greg looked like two drowned rats. We did get about half of the flags up before it rained. Again, big thanks go out to them.

PANCAKE BREAKFAST:

There was no Pancake Breakfast in the month of July. We will be having one on August the 6th. We hope everyone can come out and help out a little. We start set up at 8:30 and start serving at 9:00am to 11:00am. It is a lot of fun talking to the residents. See you there.

I just want to say that the members of the North Columbus Jaycees are a wonderful group of good people and that I am glad to see such a group do good things for the community and for people. I am very glad to be associated with the North Columbus Chapter. I believe that the younger generation needs to be more involved and care more about people and their communities.

Web Site

WWW.northcolumbusjaycees.org

The page for Chuck Humphrey is up. The link can be found on the home page. We will be keeping it updated with information on Chuck's condition and the chapter's effort to help the Humphrey family out.

Also, we have changed the guest book on the site. We were getting over run with spammers and advertisers. The new guest book allows us to delete any unwanted entries with the click of the mouse. HTML code is disabled, so all the unwanted links are gone. We added a couple of lines to the script to allow your title and location

Don't forget to stop by and register in the "Forums". This is a good place to comment or post your thoughts about the chapter.

If there is anything that you would like to see on the site, please drop me a note. We want the site to be as informative as possible. Please forward all comments and suggestions to me.
