EVERYDAY HEROS!

2005 Jaycee Year

From the President

I want to thank everyone who came out to help at the September 10th Beer Bash. We had about 15 members show up to serve beer, take money and of course watch a little football. We had a large crowd - 1/2 of which were Texans. Of course, the Texans were given a hard time (at least before the game) but it was all in good fun. I am sorry that I was unable to attend the September 24 event. We will have 2 more games to serve beer for **November 5&12**, times are TBD. Game times are still TBD, but if you have any availability those days please let me know.

Flags went up on September 1st and came down on the 13th. Putting them up was a bit of a challenge since we had no follow car. I know I was a little nervous as other cars sped towards us. Things went a bit smoother getting them down. Kevin Kowalsky and Joel were brave enough to get in the back of the truck while I drove. Kym and Patty Shaw drove the follow car. As usual this event would be impossible (or at least really difficult) if it were not for the Kassors. Even though Chuck & Kelly were unable to participate they were a great help to us by lending us their vehicle. Thank you Joel, Kevin, Kym, Patty, Sharon, Chuck & Kelly.

On September 18th we held a spaghetti dinner at the Jaycee Village. Gregory Thirtyacre Jr. and Kelly Kassor helped me serve all you can eat spaghetti, salad, breadsticks, and ice cream. All the proceeds went to help Katrina Victims. Cord camera was kind enough to donate a sign which was displayed on St. Rt. 161. Unfortunately, the sign did not get

us many people, but the residents really appreciated being able to pitch in. We asked for \$4 for residents and \$5 for non residents. Almost all of the residents donated at least \$5, which may not seem like much but considering their income it was very generous.

I want to remind everyone that at the Chapter Meetings a meal is provided. My hope is that this will make it easier on members to attend. All we ask is a \$2 contribution per person.

We have 2 great socials coming up that should also be good for recruitment. The Kassors are putting together a **Boston Weekend October 7-10**. And Joel is putting together a **paintball social on October 23**. I think everyone that goes will have a great time. And last but not least I want to welcome our two new members to the chapter: Julia Mueller and Dave Wear! We are happy to have you.

Always,
Amy M. Harcar

Secretaries Report

Brent and Kym Shaw are celebrating the recovery of their son Jacob as well as Kym's recovery from surgery. Jacob was ill for an extended time and needed much attention before mending fully. We're glad you are back on track!!!!!!

Our thoughts and prayers go out to Joel Harcar's Grandmother on her recent hospital stay. Recent reports are that she is doing well.

It is with great sadness that I pass along to you the news that Ed Fink from the Fairborn Jaycees, passed away after a short illness. The Jaycees were a huge part of Ed's life and his family wanted you to know as soon as possible. Many of you knew Ed (Senator #47955) and his many contributions to the organization. Condolences may be sent to his brother Dave Fink: 2581 Charney Road, Cleveland, OH 44118.

Thanks for your flowers, cards and many kind gestures during my recent hospital stay. I am back to work at almost at full steam, I appreciate your support!

Resident's Bus Trip

The Resident's Bus trip is on so mark your calendars. This year the residents will be going on the Hocking Valley Scenic Railway located in the Hocking Hills near Nelsonville. I asked for help and you have all pulled through for me as Zack will have football playoff games on October 29th, 2005. Those volunteering are: Sharon Arnold, Clara Hernandez, John and Connie Skaggs, Mr. and Mrs. Hernandez and Kym Shaw and her mother.

Jaycee's will assist residents on and off the buses and train and into and out of the restaurant. The residents really enjoy the trip and always show their gratitude for being able to get out to see the leaves. This is really a fun project with no cost to the volunteer. Volunteers should be at the Village at 7:45 AM on 10/29/05. If you have questions concerning the trip please call me at 476-0537.
