## President's Address

**Freer Hall, President**

Another great month for the North Columbus Junior Chamber! Our organization pulled off several projects, including our famous yearly "pig roast". It took a lot of people and effort to put so many things together. We've also been able to work cooperatively with other chapters on projects, including our new and very successful role in the Creekside Blues and Jazz festival. Thank you everyone who participated this month, including but not limited to: Desiree, Amanda, Greg & Greg, Steve & Steve, Liz, Mike, Noah, Bryce, Rich, Hollie, the members of the Venture Crew, and probably at least a dozen others I'm sure I haven't listed.

If you're curious about these projects or want to know what is coming up please get in touch with us! Our contact information is on the back of the newsletter. Also, check the calendar and speak with the project chairmen, any board member, or myself if you have any questions. If you have any questions about the chapter or events you can contact Freer at [freerhall4@gmail.com](mailto:freerhall4@gmail.com).

# Chairman of the Board Report

-Greg Thirtyacre, III COB

First and foremost I would like to thank everyone who helped and everyone who attended this year's 32 annual pig roast. Without your support none of this would be possible. We had a larger turnout than usual this year partially because of the perfect weather, but more so because of the hard work of this year's pig roast committee. Noah,

Greg Thirtyacre, III, COB

Desiree, Gabe, Amanda, Greg, and David all did a great job preparing the food and even though some things did not go to plan, the food was all prepared on time. We have received a lot of complements already on the quality of the food this year with most saying this is the best BBQ they can ever remember the Jaycees having.

Rich was in charge of transportation this year, and what an amazing job he did. His dedication matched with Desiree's advertising help allowed us

as many years. DJ Roundboy provided the DJ and music while Jeff Leonard provided tableside and walking magic. Over all 50 lbs. of baby back ribs, 60 lbs. of pulled pork, 50 lbs. of beef brisket, 40 lbs. of shredded beef, 40 lbs. of chicken and large quantities of sides were consumed, with many patrons going through line 3 times.

Although some curve balls were thrown our way this year with meat prices a lot higher than one year ago, another project going on at the same time as the pig roast in a different location, and some members that backed out of their commitments at the last minute I feel like this is one of the most successful pig roast we have ever had. I know all of the residence and others in attendance are looking forward to next year's event as am I. I think with a menu nailed down, an amazing job done by everyone on the committee, and the support from the housing boards we can only get better. If you are interested in helping or being on the committee for next year's pig roast please call or text me at (614) 206-1394.

## Internal VP Report

-Bryce Jans, Internal Vice President

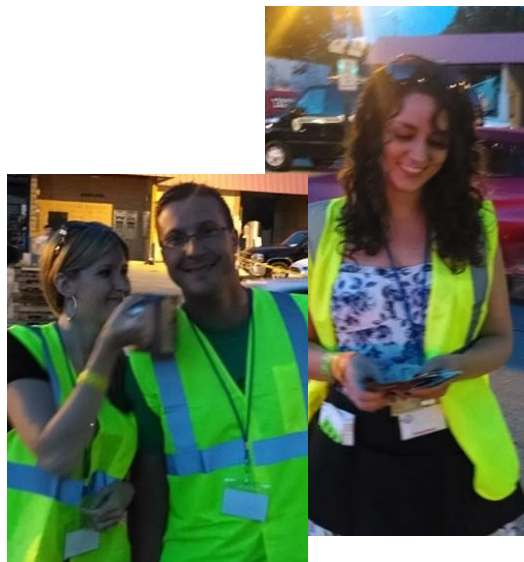

I would like to ask that everyone please start going to the North Columbus Jaycees website, and using our blog feature to keep people updated on events, and what is going on with our chapter online. Take the time to write about events you've been to. Leave comments on post about other events- leave encouragement and feedback. Maybe you thought of something that would make that event better. Communication is really important. Between now and the next newsletter- I would like to see everyone write at least one article on the blog. Please contact myself Bryce Jans at [BryceJans@Me.Com](mailto:BryceJans@Me.Com) if you need help logging in I can get you that information.

I would like to see us using more social media in the future Facebook, Twitter, Tumblr, blogs, etc. as a means to reach out to people who may not have heard of us yet. Some of us use social media every day. Tag us, tweet to us, mention us, tag us in your photos-and help us spread the word of our chapter (event photos to show the works we have already completed are really important). I say this lovingly- "we aren't afraid to say you're our members, don't be afraid to say we are your chapter".

## GO Bucks!!

-Greg Thirtyacre, III, COB

It's almost that time of year again when Saturdays only mean one thing... Ohio State Football! We will be working parking for all home games again this year. Anyone who comes out and works parking with us from 4am to kickoff (85% of your time is spent standing with friends telling lies and eating tailgate food) will get a free ticket into the game that day. OSU vs that team up north is a home game this year too! We ask that if you are planning on helping with the team up north game that you work one other game of your choice prior to that.

I know 4am to kick off sounds like a lot of work, but really it's not. Fans don't generally start to park until about 2 hours before the game, so most of the day is spent eating and sharing stories to your friends working with you. We will provide tailgate food at every game again this year meaning Breakfast and lunch will not cost you anything (which is much cheaper than any of the other vendors). Contact me for more info at [Greg@NorthColumbusJaycees.org](mailto:Greg@NorthColumbusJaycees.org) or call/text me at (614) 206-1394.
