## Ohio State Football

*-Rich Galzarano, President*

There is nothing like the roar of the crowd at Ohio Stadium, the smell of tailgate food, and rooting the OSU buckeyes on as they defend their National Title.

The North Columbus Jaycees again will be volunteering on football Saturday's to help raise money for our cause. **Volunteers will be fed well, and will receive a free ticket to the game. I need your help for the following two things.**

**Please sign up for the games you are available to help. Link is next to the game.**

**Please email me the name and email of anyone that loves Ohio State football and would be interested in volunteering. I will add them to my email list. The more volunteers we have, the more we raise for our community service events.**

## Why I Love Being a Jaycee

-Amanda Higby, Secretary

Many different aspects of my life changed when I decided to join a friend and help cook for a pig roast in July 2014. I grew up with a sense of who the Jaycees were because my dad was a member of the Circleville chapter; so I was excited when I was told about having the opportunity to volunteer with the same organization that my dad was once President of his local chapter. I don't believe I realized just how much of a positive impact the decision to volunteer would make on my life, until now.

My daughter, Jade, spends her summers with her father in Indianapolis; which makes for a really long summer when you're used to spending every moment with your child. The past couple of summers seem like a blur, for I would burry my nose into my work and try to get through the time spent away from Jade. From the first pig roast I volunteered for, till now, has been a whirlwind. In the past year I have had the pleasure of: taking a weekend with some fellow chapter members to visit the Kent State chapter and help with a duck race project they were doing, volunteering time to dress up and scare people in a corn maze, helping park for an OSU game and getting to see the game for free, helped prepare and serve food for a special Christmas dinner for the residents of Jaycee Arms, as well as chair an Easter Egg hunt for the first time in Grove City.

I have learned many leadership aspects along the way at All States, as well as the board members of our chapter. I was so impressed at how much support comes with the North Columbus Jaycees that I decided to become a secretary of the board. It's nice to know that there are people involved in our organization, not only in our chapter, but at the state and national level as well. I always feel comfortable reaching out for help; something that I can't say I've had the same support with any job I've ever had, and this is a volunteer organization.

I love being a member of the Jaycees for many reasons; only a fraction of them have already been discussed. I would say that the main reason I love the Jaycees is because I now have the ability to make a positive impact on people's lives. The best part of it all is I have been able to work on my relationship with Jade through this process as well. Before our life with the Jaycees, we would always argue because she had issues with listening to me. This last year has changed our lives one hundred percent. Jade has had the ability to see what a great feeling it is to help out other people, for she volunteers her time right along beside me. She has been beside me through this transition into a more positive lifestyle and it has helped our relationship immensely; something I am eternally grateful for because I was at my wits end with the nonsense from before. She has even taken it upon herself to volunteer to be a Soap Box Derby racer for the North Columbus Jaycees, something I know in my heart that she takes great pride in. I can honestly say I am so proud to be the mother of a future Junior Jaycee.

I have met many amazing people along the way and it is amazing how close everyone in our chapter is. They have all welcomed Jade and I with open arms and made us feel like part of their family. I have always had a passion for helping people, but never dreamed I would find such an amazing organization to be involved with. I have to say, and I believe Jade would whole heartedly agree, that I love the positive impact that being a Jaycee has brought into our lives.

## Pedal With Pete

*-Matt Burger, Director*

Pedal with Pete is a charitable bike ride that raises money for cerebral palsy research. It originally started in Kent, Ohio in 1993. Around 14 years ago, it added another event in Hilliard Ohio.

During the most recent event held on August 1 in Hilliard, Greg, Rich, Leah, and I helped hand out food and t-shirts, register the participants, and help to direct the participant's on which trails they should follow. The participant's numbered over 1,000 and they included both bikers and walkers. Our own President, Rich and his wife Hollie rode in the charity.

Greg and Rich were fortunate enough to meet Pete Zeidner, the inspiration, and original founder of this charity. Below is a picture of Greg, Rich, and Pete.

With the help of all participants and the volunteers, Pedal with Pete brought the total amount for cerebral palsy research to \$900,000. The charities ultimate goal is to reach \$1,000,000 and beyond. They intend to meet this goal by becoming a nationwide fundraiser. They already have designs for a bike ride in Dayton Oh, and in Iowa.

**We Believe:**

That faith in God gives meaning and purpose to human life,  
That the brotherhood of man transcends the sovereignty of nations,  
That economic justice can best be won by free men through free enterprise,  
That government should be of laws rather than of men,  
That earth's great treasure lies in human personality, and  
That service to humanity is the best work of life!
