The North Star

October, 2016

September Overview President's Report

We have another quarter in the record books as we say goodbye to September; and was it ever a busy one.

September in Review

We had a General Membership Meetings on September 6 and 20 and a Board of Directors meeting on September 13. The OSU Football season is underway and we helped out with parking and traffic at Buckeye Lot C on September 3 and 10. Lastly, Greg Thirtyacre III, Ashley Gose, and I went to the US Jaycees National Conference in Detroit, Michigan.

Recognition

I would first like to recognize Charlie Kucinski as Jaycee of the third quarter. He didn't join the chapter until August 2016, but even before he joined, he was volunteering at Jaycees events and participating at other charity events outside of the Jaycees. I would also like to thank Steve Kowalsky for giving Part 2 of the 2 part training on Robert's Rules. I also want to thank for Krystle Kost and Amanda Higby for stepping up and to co-chair our Thanksgiving Food Basket Drive. Finally, great job to everyone who helped out at the OSU Football games. For the

first 2 games, we made over \$1000.

Up Coming Events

We will continue to help with parking and traffic for the three OSU Home Football games being held on October 1, 8, and 29. We are also planning a membership night so stay tuned for more information on that. As stated, Amanda and Krystal will be chairing the Thanks giving Food Basket Drive in November and on December 10 and 11 the chapter will be hosting a Christmas Party for the Residents of Jaycee Village and Jaycee Arms. Lastly, elections for the North Columbus Jaycees 2017 Board of Directors will be held on a special election night at the Jaycees Village on October 30 at 1:00 P.M. To learn more about these events, come out to the chapter Meetings on October 4 and 18 and a Board of Directors meeting on October 11.

Let's give a toast to the closing of a successful third quarter and for a strong end of the year.

Matt

The Holidays are Upon Us State Director's Report

With Christmas less than 100 days away the holiday season will very soon be upon us and with this season comes a jump in community activities for the Jaycees. Between Thanksgiving Food Baskets, Christmas dinners, OSU football, and countless other projects, we could really use your help over the next few months. If everyone does just one little part we really can make all of our upcoming community projects a lot easier and better at the same time, after all many hands makes for light work.

I believe that we all have the desire to make the communities and world we live in truly a better place for all that call it home. The tear in a mother's eye as we hand her a meal knowing she will now be able to have a meal with her children this holiday. The smile on a residents face as they tell you a story about how they used to spend the

holidays with their family over the plate of food you just served them. Even the thrill of sitting in the Horseshoe cheering on the Buckeyes and knowing that the time and effort you donated to earn the ticket will be putting food in kids bellies and toys in their hands this Christmas where otherwise they would not have had any. Sure we have a great time and build lifelong friendships doing these things, but I think the true reason is because we all share the desire to help.

So please keep an eye on the website, newsletter, or swing by a meeting and get involved this year. Even helping with just one piece of one project helps tremendously and is extremely rewarding. If you have any questions about where we could use a hand or want to get involved at any level please reach out to me at Greg@NorthColumbusJaycees.org, or call/text me at (614) 206-1394. Be the reason the community is smiling this holiday season.

Walk to End Alzheimer's Charlie, Member Report

Hello Jaycees, my name is Charlie. I just moved to Columbus earlier this summer. Being new to this awesome city, I'm really enjoying making all new friends and taking every opportunity just to discover where each new experience takes me. I recently became involved with the Jaycees, and have been having just an incredible time contributing to the cause while meeting an amazing group of fun and motivated people who share my belief that service to humanity is the best work of life.

It is with you, who I work alongside for the benefit of those in need, I feel comfortable asking for help.

Late last year, my Uncle Stan was diagnosed with Alzheimer's disease. Alzheimer's is a degenerative neurological disease, first appearing as confusion and memory loss, and later developing into dementia. As your loved one's faculty is gradually diminished, the unrelenting progression of Alzheimer's

disease is very difficult for family to bear. I learned this as a young child having lost my grandmother to Alzheimer's. Uncle Stan has just the wittiest, most captivating personality I've ever known, and I will do everything possible to give him every opportunity I can.

Sunday, September 25, I participated in the 2016 Walk to End Alzheimer's at Huntington Park, Columbus, OH. I will be walking with the team named Stan's Friends with the personal goal of raising \$100 to contribute to Uncle Stan's fight against Alzheimer's.

Please help me help Uncle Stan. To make a difference, you can donate this link: http://act.alz.org/site/TR?pg=personal&px=12395196&fr_id=9206 Your donation will go towards Alzheimer's care, support, research, awareness, and advocacy.

If you know someone battling Alzheimer's and would like to learn more, check out <http://act.alz.org/>.

Charlie

2017 Chapter Elections

It's time to elect the new Board of Directors for 2017. The positions up for election are: President, Internal Vice President, External Vice President, Secretary and a Treasurer.

Elections will be held on October **30 starting** at **1:00 P.M.** at the Jaycee Village **Community Room.**

If you have any interest in running for one of these positions and you would like to know more about them, please call me at:

740-993-9491, or email me at: matt@northcolumbusjaycees.org, you may also attend any of the Chapter Meetings for more information.

Ohio State Parking Update State Director's Report

With two games under our belt in the 2016 OSU Football season, we are very excited about the rest of the year. Thus far the weather has been perfect, the volunteers have been epic, and the tailgate has received many praises. We actually had people arguing over who was going to take home the leftover brisket. On top of all this, the games have been great and as always the seats we are given have been perfect, kept everyone out of the sun the first game and dry for the second.

This coming game is especially exciting as we will be bringing in some new chairmen. This coming game will be chaired by our very own Matt Burger and Ashley Gose!

October 1st will be the next home game and we already have to turn people away from the next two games due to the amount of people excited to be a part of this. We are raising money for community events like Thanksgiving Food Baskets and our Easter Egg Hunt and having a great time doing it!

If you would like to sign up to work a game please do so as soon as possible because games are filling up fast. Luckily there are two late games this year and those do offer more positions to be filled, but even they are filling fast. Remember, the OSU Michigan game is home this year and is already shaping up to be a battle of epic proportions. The Michigan game tickets and positions will be given out based on hours worked so this will be an event closed to the public. So come have a ball with us and root on the Buckeyes!

Please visit www.JayceeParking.com for more information or to sign up, spots are going fast so reserve yours today!

Ashley Gose for President

Dear Jaycees,

I am pleased to announce my candidacy for North Columbus Jaycees President in 2017.

*"Confidence ... thrives on honesty, on honor,
on the sacredness of obligations, on faithful
protection and on unselfish performance.
Without them it cannot live."*

~ Franklin D. Roosevelt

This quote reflects who I am as a candidate for North Columbus Jaycees President. Since I first became involved in the Jaycees in March 2013 with the Grand Rapids (MI) chapter and joining the North Columbus Jaycees in December 2015, many great opportunities have come along (shown to the right). Each opportunity has allowed me to meet life long friends and grow as a leader.

I am running for North Columbus Jaycees President because of my organizational, consulting, marketing, graphic, and training skills and passion for the mission, vision, and overall work of the Jaycees.

My goal as president is to build on our collective strengths, think outside of the box, and inspire and motivate others. Some specific goal breakdowns include:

~ My first goal is to represent the North Columbus Jaycees best interests. I will continue to be professional and respectful and participate in conferences next year.

~ My second goal is to maintain a positive attitude. Even when stressful situations arise, I will remain optimistic and keep a smile on my face.

~ My third goal is to create a North Columbus Jaycees Brand Book, marketing strategy, and assist in the development of our new North Columbus Jaycees portal website.

~ My final goal is to collaborate, partner, recognize accomplishments, and serve as a team player with amongst the North Columbus Jaycees members and Board of Directors, and other Jaycees organizations in and outside of Ohio.

I have the confidence that I will be a great President and serve with honesty, honor, respect, faithfulness, and unselfishness.

Thank you,
Ashley Gose
