Presidents Report

We are wrapping up the end of a great second trimester. Here are some highlights of the trimester:

Speaker: Mike Wilson

On Thursday, May 4, we were honored to have Mike Wilson come speak to our Jaycee Village residence and our chapter.

Asian Festival

This year was a HUGE success for the Asian Festival with 110,000 people on Saturday alone, that's enough to fill the Horseshoe! While Asian Festival is not a Jaycee run event, there is no way the event would operate without the Jaycee volunteers and experience provided by the North Columbus Jaycee chapter.

Pig Roast

North Columbus Jaycee is held their annual Pig Roast for the residence of the Jaycee Village and Jaycee Arms on Saturday, June 24, 2017 from noon to 2 pm. Thank you to our partnership with Marshal's Bar in Grandview, they were generous enough to prepare all the meat for us; all 50 lbs of brisket, 50 lbs of pork tenderloin, and 100 lbs of baby back ribs. In total, about 150 residents and their families were in attendance. About 15 to 20 of whom were transported from the Village itself.

Site Visits

In July, the North Columbus Jaycees, North Canton Jaycees, and Barberton Area Jaycees traveled to Hudson, Ohio in support of the **Hudson Jaycee's Haunted House** statewide work session. In July, the local Zanesville chapter puts on a 2 day Fourth of July festival, **Stars and Stripes on the River**, for the city and this year, Ashley, Greg, and Matt had a chance to check it out. Fellow member, Nancy also had a chance to visit the Ann Arbor Jaycees (MI).

Harvey the Mission Matchmaker

On August 15, the chapter held their monthly training. Rich invited his friend Harvey, the Mission Matchmaker to come speak about fundraising to a group of about 12 people. Harvey's training was part training, part group discussion.

New Member Welcome

As of October 1, we would like to welcome the following new members for this quarter: Ray B, Antwone B, Alyse D, Nancy M, Francisco M, and Ariel M. Welcome to the Jaycee Family!

In November, we will once again be holding our annual Thanksgiving Food Baskets. Feel free to bring can goods that we can include in our baskets to families in need. If you have a project you would like to create, let me know and I can work with you to create a Project Management Guide.

Thanks,

Ashley Gose

2017 President | Ashley@northcolumbusjaycees.org

OSU Parking

Ashley and I want to say thank you to Antwone, Alyse, Carrie, Craig, Greg, Nancy, and Rich for helping with Parking and Traffic at the Ohio State vs Army football game on September 16, 2017. It was fun to watch the money collectors compete for the honor of being the first one to sell out of parking tickets. Ashley and I also got many compliments on our menus. Breakfast consisted of eggs, bacon, and hash browns. Lunch included walking tacos. We additionally had grilled cheese with tomato soup for a snack. We got so many compliments, that Krystle decided to present the same menu for her game on October 7. Ashley and I will be chairing the November 18, 2017 as well. Come join us cheer on the Buckeyes!

Once again, thanks for all of those who showed up to volunteer and to hang out with us.

Thanks,

Matthew Burger

2017 Chairman of the Board

Matthew@northcolumbusjaycees.org

Hudson Haunted House

The weekend of September 30, Antwone Brown and I had the pleasure of assisting the Hudson Jaycees in the operation of their 45th annual Haunted House. On Friday afternoon we made the two and a half hour drive up and were greeted at the house by members rushing around making last minute adjustments and doing makeup. After introductions and a quick safety run down Michael took us on a tour of the house. A hand full of us had been up two separate Saturdays a couple months ago to help lay some flooring, build some rails and walls, and paint but the progress and quality of work they had managed since our last visit was stunning.

After the tour AJ took us back to the makeup room to get into costume. Alexandra and Willow worked on our makeup and in a staggering short amount of time had us both looking menacingly scary. After a few acting sessions from Jesse Amanda assigned us our positions and we were ready! Friday night the first set was really just figuring out where the best place to hide, what and how to scare the customers, and how to navigate the hallways in complete darkness.

I would not be exaggerating to say that Antwone and I had one of the best times of our life. From people screaming and taking off to people turning around and trying to escape backwards we had some really good scares. I would highly encourage everyone reading this to make the trip up to Hudson this season and donate at least part of you night to helping the Hudson Jaycees scare some people out of their skin. You can find more information on the Hudson Jaycees Haunted House Facebook page or at HudsonJaycees.org.

Thanks, *Greg Thirtyacre III*

THE IDEAL MEMBER

Attracting new members is not just about quantity, it's about motivation. Those new members who want to join for the right reasons and want to contribute to the long-term success of North Columbus are the foundation of a strong future. Those who join only to receive a certain benefit will not be members for long. When looking for members, consider these aspects:

1. Is Energized By The Mission And Purpose

Look for young people who demonstrate passion for the ideas in the Jaycee Mission and for making a difference. Those who are energized by the idea of creating positive change and being part of something bigger than themselves will be motivated to participate in Jaycee initiatives.

2. Wants To Grow And Expand Their Horizons

Look for young people who are constantly seeking new experiences, new knowledge and personal improvement. Those with an open mind will be able to embrace the challenges of managing complex projects and work well as a team with other members.

3. Is Active In The Community

Look for young people who are active in other organizations such as volunteers for community service. Those who are tuned in with current events in their local area will be ready to take action on community issues. Also look for individuals that have the time and resources to be an active member and are interested in taking a leadership role.

4. Is Somewhat Younger Than The Average Age Of Current Members

New members should ideally be younger than the average current members, but avoid a large generation gap so that new members can easily integrate. If the current average age is too high, work on bringing it down little by little.

Rich Galzarano

Internal Vice President- North Columbus Jaycees

Administrative Vice President- Ohio Jaycees
