# ***PRESIDENTS REPORT***

Hope everyone had a great summer – Football season is here! Here are some highlights and upcoming events:

## **Ohio State Football Parking**

Football season is officially here and we have more opportunities for you to volunteer and get into the games than ever before! Each home game has 1 or 2 shifts with each shift requiring 8 people. Not only will working a shift get you a great seat (Section 2B) to the home OSU football game, and some great tailgate food, your hours will also count toward a donation made by CampusParc/OSU to the North Columbus Jaycees to help us continue to impact our community! You can find out more about what shifts are available and sign up to volunteer at [JayceeParking.com](http://JayceeParking.com).

## **Hudson Haunted House**

A few times this summer, our chapter has ventured over to Hudson, Ohio to help out with Hudson's Haunted House. This will be Hudson's 45 year and the haunted house serves as a great fundraising opportunity for their chapter. Opening night at the Hudson Haunted House is Friday, September 22. Work sessions are taking place on weekends as well as select weekdays. Email [president@hudsonjaycees.org](mailto:president@hudsonjaycees.org) for more information or if you are interested in donating your time, money or building materials. Feel free to check them out and let us know if you are interested in the North Columbus hosting a haunted house again one day.

## **Ohio Jaycees November All State/Elections**

Join the Ohio Jaycees for a weekend of trainings, fun, and fellowship in the Hall of Fame City. Sunday's Family Fun will be at the Pro Football Hall of Fame. They will also be holding elections for Statewide Office. Schedule and additional event information coming soon!

## **Upcoming Events**

September starts Ohio State Football! We will also be hosting a Ronald McDonald House project on October 1. If you have a project you would like to create, let me know and I can work with you to create a Project Management Guide.

Thanks,

*Ashley Gose*

# ***HARVEY THE MISSION MATCHMAKER***

On August 15, the chapter held their monthly training. Rich invited his friend Harvey, the Mission Matchmaker to come speak about fundraising to a group of about 12 people. Harvey's training was part training, part group discussion.

Three things stuck out to me during his training. One of them was that a lot of organizations get money from life insurance as a way of giving back. Another one was to develop some type of focus; have a main thing that you train on, so that you can develop a message and a vision that people can understand and get behind.

The last one, were the types of questions he proposed to us. Instead of asking us questions like: what type of marketing materials do you use when fundraising, or how many fundraisers do you have in a course of a year? He asked questions like: well, what if I'm not interested or what if it does not affect me? The point that I took away from these questions were, when holding a fundraiser is to always consider how the people that you are trying to reach outside of your organization sees you. By keeping them in mind, you can give them a reason on why they should give up their time and money to help you. Thanks,

*Matt Burger*

# ***2018 BOARD OF DIRECTOR ELECTIONS***

It is time to elect the 2018 board of directors. The positions that need filling is the Secretary, Treasurer, External Vice President, Internal Vice President, and President. Elections will be held on Thursday, October 26 at 7:30 P.M. at the Jaycee Village.

If you have any interest in running for one of these positions and you would like to know more about them, please call Matt at 740-993-9491, email Matt at [matthewafburger@gmail.com](mailto:matthewafburger@gmail.com), or attend any of the chapter General meetings. Tuesday, **September 19**, we will dive deeper into the roles of each position and answer any questions and discuss any project ideas.

## **Weather Emergency**

In the event a meeting or event needs to be canceled due to a weather emergency, power outage, or zombie attack, a notice of cancelation will be on our Facebook page and our website.
